“I have to admit I’ve never even heard of Farmers Hemp,” said John.

VOTE 1 **HEMP**

- to re-legalise cannabis for personal, medical and industrial uses;
- to allow for homegrowing, regulated sales and health education through registered outlets which will separate cannabis from the criminal blackmarket and end associated corruption;
- to allow medical use utilising cannabis' painkilling, relaxing, anti-nausea and healing properties;
- to establish a commercial hemp industry producing fuel, fibre, paper, textiles, food, oil and other environmentally sound products;
- to release all imprisoned for cannabis and the removal of all records of previous criminal cannabis convictions. (200,000 in NSW alone)
